

# BEACHFLAG

MARCH 2024

Carrying bag, poles and one base are included with each unit ordered. It is possible to mix models and/or size to combine quantities in a single order. If you choose to print on one side only, your visual will be visible upside down (mirror effect) on the back because the canvas is not opaque. For an opaque visual, opt for two-sided printing.

\* Artwork costs for the visual are not included in the prices.  
All prices displayed on this document are unitary and excluding taxes.  
They are subject to change without notice.
